

Design Internship (Paid) Available

Universal Designers & Consultants, Inc.

www.UniversalDesign.com

Universal Designers & Consultants, Inc. (UD&C) founded in 1991 and located in Takoma Park, MD, provides unsurpassed accessibility consulting services.

The UD&C team provides clients with the advantages of understanding of the commercial business world and in-depth knowledge and creativity in design and accessibility. Whether it be the ADA, state, or other regulations, our guidance takes business needs into consideration and results in savings. Our direct participation in the code development process, our associations with federal and state agencies, and our extensive experience make us the premier architectural consulting firm for addressing accessibility concerns.

Position Description: Intern

UD&C is searching for an individual who is interested in Universal Design and/or Accessibility for a paid Internship.
